

Muchea Recreation Centre

Construction Commences

Geared Construction Pty Ltd have been awarded the successful tender for the build component of this project.

Geared Construction took site possession of a portion of the Muchea Hall and Oval site on Monday, 7 November 2022.

Anyone accessing the facility will notice that a temporary fence has been constructed around the construction area.

The construction area is a restricted area under the management of Geared Construction.

No person is permitted within the construction area without the express permission of the site Superintendent.

Parking arrangements

Over the course of the construction, parking arrangements will change depending on what aspects of the build are being completed. We will endeavor to keep you up to date on changes via regular communications.

For the time being please refer to the below map for designated parking areas for club members and the general public.
