OSBORN, Colleen

I am driven to participate in community to enhance the lives of its residents combined with working towards a secure economic future for us all.

This has been demonstrated by my involvement in a broad range of issues and organisations over many years, this includes having been an elected member for 11 years . During this time I served on the board of a Regional Development Commission and the Federally funding body (then known as an Area Consultative Committee)

I have a high degree of respect for the values of Local Government and have witnessed the benefits of working together to provide positive outcomes.

I have lived in Chittering for 10 years on our property in Bindoon and worked for tourism both in a paid capacity and volunteer. During this time I have become familiar with residents and business operators in Lower and Upper Chittering, Muchea, Wannamal and Bindoon.
