

## FB Poll Results

### Lower Chittering Chatters

Chittering Shire created a poll.

October 20 · 🌐

The Lower Chittering Hall Replacement (LCHR) Reference Group are looking for some information from you, their local community, to help with their decision making for this project.

We would love to get some feedback on what you would like to see in a "Community Centre" in Lower Chittering.

Using previous consultations, the LCHR Reference Group have created a list of services, activities, and infrastructure that you might like to consider.

Please select any/all of the boxes that match your needs to help guide the discussion at Reference Group meetings.

If you think there is something missing from the list, please comment or email [alison.reliti@chittering.wa.gov.au](mailto:alison.reliti@chittering.wa.gov.au)

In order to assist with this process, and to make it as interactive as possible, we encourage discussion, but please be aware that derogatory comments will be removed.

The poll will close on 31 October 2021 so have your say today.
