COMMUNITY DEVELOPMENT REVIEW 2020

As part of a recent consultation, we asked you.....*"What will be needed to help you live, socialise, recreate, and remain living within the Shire of Chittering?"*

We listened, and we heard that the "service areas" below are what you would like us to prioritise going forward. To make sure that we heard you correctly, please select any/all of the options below which apply to you.

The poll will run until 5pm Sunday 3 May, so get your friends, family, and neighbours to have their say too by directing them to this poll!

We appreciate your feedback and participation in this consultation. If you disagree with these results, please forward your response to us via email on cdo2@chittering.wa.gov.au

Once we have results, council will review the recommendations and we will let you know what we have planned in the future to meet your priorities.

Connection - Facilities, parks, playgrounds, and activities to help you meet, and connect. (40) 

Community Events - family friendly events, large and small, to give you a chance to connect with your community and showcase Chittering. (37) 

Youth / Early Years - Education, places for connections, sporting and cultural activities, and job opportunities (27) 

Ageing - Housing options, health services, and connections to help you grow old at home, ageing in place. (16) 

Other - I disagree with these responses and will send my feedback via email as above. (0)
