

# Bindoon Mountain Bike & Adventure Park Update

February 2023

## Stage 1 Mountain Bike Trails

### Trails construction update

Trails are coming along well despite the hot weather and fire bans impacting on construction.

- 95% of Trail 1 'Green Loop' has been completed, the builders will just need to wait for some rain to compact and do the final trail trim
- 100% of Trail 3 'Green Downhill' is completed
- 100% of Trail 4 'Blue Downhill' has been complete.
- 70% of Trail 6 'Blue XC' is completed
- Work has started on Trail 5 'Black Downhill'

## Stage 2 Mountain Bike Trails

### Concept Planning

Stage 2 Concept Plan has been received and is under review with an additional 10.1km of trails planned including additional blue, black, double black, and green duel use trails.

### Trail naming & logo design

Trail naming and logo designing for the park is continuing with the creation of a user group.
