

Bindoon Mountain Bike Park Update

September 2023

Mountain Bike Park Logo, Trail Names & Trail Motifs

The Bindoon Mountain Bike Park now has an official logo and names for the Stage 1 trails, following consultation with the Bindoon Mountain Bike Working Group.

The trail names are listed below.

First drafts of the trail motifs have been completed and are under review with the Working Group. These will be released soon.

A portion of Trail 21 - **Off the Market** - a Trail from Stage 2 is being constructed to allow the park to open at the completion of Stage 1.

Other Works Progress

- Trail signage is being finalised and will be installed soon.
- Works are underway for the access road, carparking & drainage.
- Toilets will commence as soon as surveying for the above works are complete.

Stage 2 Mountain Bike Trails

The Concept Plan for Stage 2 has now been approved and includes 10.1km of additional trails.

We are seeking sponsorship for further works.

Opening Date

We are just as excited eager as you are for the Mountain Bike Park to open but we are unable to provide a date at this time.

The works mentioned above need to be completed first so the park is safe and compliant.

Stay tuned for another update soon!
