

# COUNCIL MINUTES

## Ordinary Meeting of Council

7pm, Wednesday 16 June 2021

Council Chambers, 6177 Great Northern Highway, Bindoon

## PUBLIC QUESTION TIME

### 1. Time Permitted

A minimum of 15 minutes is permitted for Public Question Time at Council Meetings. If there are not sufficient questions to fill the allocated time, the Presiding Member will move to the next item. If there are more questions to be considered within 15 minutes, the Presiding Member will determine whether to extend Public Question Time. Each person seeking to ask questions during Public Question Time may address the Council for a maximum of two minutes each.

### 2. Protocol

No member of the public may interrupt the Council Meeting proceedings or enter into conversation.

Members of the public wishing to participate in Public Question Time at the Council Meeting who wish to submit written questions, are requested to lodge them with the Chief Executive Officer the Tuesday by **5pm on the day before the meeting**

The Presiding Member will control Public Question time and ensure that each person wishing to ask a question is given a fair and equal opportunity to do so. Members of the public wishing to ask a question must state his or her name and address before asking a question. If the question relates to an item of the Agenda, the item number and title should be stated.

### 3. General Rules

The following general rules apply to Public Question Time:

- Public Questions should only relate to the business of the local government and should not be a personal statement or opinion.
- Only questions relating to matters affecting the local government will be considered at a Council Meeting, and only questions that relate to the purpose of the meeting will be considered at a Special Council Meeting.
- Questions may be take on notice and responded to after the meeting.
- Questions may not be directed to specific Elected Members or a Shire employee.
- Questions are not to be framed in such a way as to reflect adversely on a particular Elected Member or Shire employee.
- First priority will be given to persons who have submitted their questions in writing.
- Second priority will be given to persons who are asking questions relating to items on the current Council Meeting Agenda.

## DEPUTATIONS

### 1. Time permitted

A minimum of 10 minutes is permitted for Deputations.

### 2. Protocol

No member of the public may interrupt the Council Meeting proceedings or enter into conversation.

Members of the public make a Deputation at the Council Meeting are requested to lodge them with the Chief Executive Officer the Tuesday by **5pm on the day before the meeting**

The Presiding Member will control Deputation time and ensure that each person wishing to ask a question is given a fair and equal opportunity to do so. Members of the public making a Deputation must state his or her name, company (if applicable) and address before commencing. Members must also state the item number and title on the Agenda.

### 3. General Rules

The following rules apply when making a Deputation:

- (a) Deputation is not to exceed five persons, only two of whom may address the Council, although others may respond to specific questions from Members.
- (b) Deputations must not exceed 10 minutes without the agreement of the Council.
- (c) Additional members of the deputation may be allowed to speak with the agreement of the Presiding Member.

Council is unlikely to take any action on the matter discussed during the deputation without first considering an officer's report on that subject in a later Council agenda.

## RECORDING AND ACCESS TO RECORDINGS OF COUNCIL MEETINGS POLICY

### **Objective**

To ensure that there is a process in place to outline access to the recorded proceedings of Council.

To emphasise that the reason for the recording of Council Meetings is to ensure the accuracy of Council Minutes and that any reproduction is for the sole purpose of Council business.

### **Recording of Proceedings**

1. Proceedings for meetings of the Council, Electors, and Public Question Time during Council meetings shall be recorded by the Shire on sound recording equipment, except in the case of meetings of the Council where the Council closes the meeting to the public.
2. Notwithstanding clause 1, proceedings of a meeting of the Council which is closed to the public shall be recorded where the Council resolves to do so.
3. No member of the public is to use any electronic, visual or vocal recording device or instrument to record the proceedings of the Council or a committee without approval as per ***Local Government (Council Meetings) Local Law 2014***, c6.15.

### **Access to Recordings**

4. The record of proceedings is to be loaded on to the Shire's website once the minutes have been made available.

### **Retention of Recordings**

5. Recordings pertaining to the proceedings of Council Meetings shall be retained in accordance with the ***State Records Act 2000***.

**During the meeting, no member of the public may interrupt the meetings proceedings or enter into conversation.**

**Members of the public shall ensure that their mobile telephone and/or audible pager is not switched on or used during any meeting of the Council.**

**Members of the public are hereby advised that use of any electronic, visual or audio recording device or instrument to record proceedings of the Council is not permitted without the permission of the Presiding Member.**

#### PREFACE

When the Chief Executive Officer approves these minutes for distribution they are in essence "Unconfirmed" until the following Ordinary Meeting of Council, where the minutes will be confirmed subject to any amendments.

The "Confirmed" minutes are then signed off by the Presiding Member.

Attachments that formed part of the agenda, in addition to those tabled at the Ordinary Meeting of Council are put together as an addendum to these Minutes.

#### UNCONFIRMED MINUTES

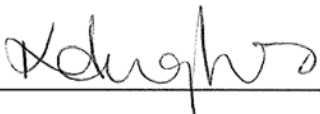

These minutes were approved for distribution on 18 June 2021.

**Matthew Gilfellon**  
Chief Executive Officer

#### CONFIRMED MINUTES

These minutes were confirmed at a meeting held on 21 July 2021.

Signed 

NOTE: the Presiding Member at the meeting at which these minutes are confirmed is the person who signs above.

#### Disclaimer

The purpose of this Council meeting is to discuss and, where possible, make resolutions about items appearing on the agenda.

Whilst Council has the power to resolve such items and may in fact, appear to have done so at the meeting, no person should rely on or act on the basis of such decision or on any advice or information provided by a member or officer, or on the content of any discussion occurring, during the course of the meeting.

Persons should be aware that the provisions of the *Local Government Act 1995* (section 5.25 (e)) establish procedures for revocation or rescission of a Council decision. No person should rely on the decisions made by Council until formal advice of the Council decision is received by that person.

The Shire of Chittering expressly disclaims liability for any loss or damage suffered by any person as a result of relying on or acting on the basis of any resolution of Council, or any advice or information provided by a member or officer, or the content of any discussion occurring, during the course of the Council meeting.

*Good evening Councillors, staff, ladies and gentlemen, we wish to acknowledge the traditional custodians of the land we are meeting on, the Yued people. We would like to pay respect to the Elders of the Nyoongar nation, past and present, who have walked and cared for the land, we acknowledge and respect their continuing culture, and the contributions made to this region.*

**ITEM 1. DECLARATION OF OPENING OF MEETING / ANNOUNCEMENTS OF VISITORS**

The Presiding Member declared the meeting open at 7:00pm.

**ITEM 2. RECORD OF ATTENDANCE / APOLOGIES / APPROVED LEAVE OF ABSENCE / ANNOUNCEMENTS**

**Attendance**

The following members will be in attendance:

|                           |                  |
|---------------------------|------------------|
| Cr Kylie Hughes           | Presiding Member |
| Cr Carmel Ross            |                  |
| Cr Peter Osborn           |                  |
| Cr John Curtis            |                  |
| Cr Mary Angus             |                  |
| Cr Rebecca Foulkes-Taylor |                  |
| Cr Mark Campbell          |                  |

The following staff will be in attendance:

|                   |  |

Nil

**Approved leave of absence**

Nil

**Announcements**

*Councillors to advise of their attendance in their role as an Elected Member at community activities and meetings. As the Chief Executive Officer's office looks after some (not all) appointments for the President and Deputy President; the Agenda includes only those meetings. Councillors are therefore requested to provide additional information at the Ordinary Meeting of Council for inclusion in the minutes.*

**ITEM 4. PUBLIC QUESTION TIME**

**Response to previous public questions taken on notice**

**PQT01 – 06/21 Clint O’Neil, Chittering**

*Taken on notice from the 19 May 2021 Ordinary Council Meeting.*

**Question 1:** My question is one of clarity to your response to my question PQT03 – 04/21. I am assuming that you have relied on sound and reliable advice when addressing the question. The question was posed based on advice from the Regional Manager of DWER that *‘any further questions in regard to access to properties vested with the Shire should be directed to the Shire’*. For the benefit of other Councillor’s being fully informed of the DWER written advice, referred to in my question of 21 April 2021, I am requesting that you read aloud DWER’s clarification response marked in the correspondence before you and whether you would like to take this opportunity to reconsider your response to my question.

**Response 1:** *Now that a copy of the letter has been forwarded to the shire, and we have reviewed the original letter that was sent from the shire to DWER, a copy of which has been provided to yourself, we cannot confirm the advice provided by DWER.*

**PQT02 – 06/21 Megan Black, Chittering**

*Taken on notice from the 19 May 2021 Ordinary Council Meeting.*

**Question 1:** Has the Shire got in its Budget enough money to cover road improvements to the main thoroughfare to 140 Blue Plains Road as the road certainly has not been built to take the quantity of traffic that would come along with a 900 capacity venue. Does the Shire also have money in their Budget to relocate the three School Bus stops that are on the access roads including Blue Plains and both Maddern Roads.

*Response 1:* The approval is subject to a Road Traffic Assessment and until the assessment is provided, we cannot say with certainty what improvements may be required, if any. The approval also contains the requirement that the applicant pay for all recommendations of the Road Traffic Assessment. The shire's budget is for a twelve month period, with the current budget finishing on 30 June 2021, and is quite specific to road projects so it does not contain potential works required outside of the twelve month period, however it is sizable enough to, in theory, incorporate road upgrades and moving bus stops should the need arise in the future.

**PQT03 – 06/21 John Nagel, Bindoon**

*Taken on notice from the 19 May 2021 Ordinary Council Meeting.*

**Question 1:** From a gentleman at 265 Ridgetop Ramble, he sent a request in on 18 March 2021 to get a drain cleared out and received a response to say your request has now been completed. After inspection, the drain is still blocked.

*Response 1:* Below is a timeline of events from when the works request was received:

- The drain was inspected by the Executive Manager of Technical Services and the Works Supervisor on 11 May. The main problem affecting the drain was that the resident at 265 Ridgetop Ramble had put a bund across the creek inside his property to stop storm water from entering his property. This caused the open drain to silt up. The resident was asked to shift the bund but declined. Staff then cleaned out the open drain down to the intersection to fix the problem and the ICS had been closed. The resident was informed about the work that had been completed.
- A letter was then sent to the resident informing them that the ICS was closed.
- On 13 May, the Executive Manager of Technical Services spoke to the resident about the ICS. The resident informed the Executive Manager of Technical Services that the pipe had not been cleared as he had asked when he put the works request in, only the open drain. The Executive Manager of Technical Services apologised and reopened the ICS.
- On 14 May, an internal conversation was held regarding the flushing out of the pipe. With the equipment available to staff, the pipe was not able to be flushed out. Normally a hose on the end of the water truck would be used however in this situation the equipment would not provide an effective solution. It was decided to hire a pump truck and a quote was sought.
- On 18 May, the resident was called by the Executive Manager of Technical Services and he was informed that we did not have the equipment to clear the pipe and that a pump truck would be hired to clear the pipe. The resident appeared happy at this answer.

- *On 4 June the pump truck cleared the drain as well as other drains in the area. The pump truck provides a better service as it both flushes the pipes and collects the leaves as well. The price of using a specialised contractor is also not significant when compared to the cost involved in using Shire staff and equipment that is not suited to the task and the opportunity cost of other budgeted works that the Shire equipment should be performing.*

**PQT04 – 06/21**     **Clint O’Neil, Chittering**

**Question 1:**     **My question relates to your response of my confirmation request to my question [1] of the 21 April 2021 Council meeting, regarding legal access to land under the control and management of the Shire. At the 19 May 2021 Council meeting the statement was presented that the Shire had not specifically denied past, current or future legal access, contrary to the written statement of advice from DWER.**

**Your response to my public question of 19 May 2021 seeking clarity on the statement response, taken on notice, is now recorded in tonight’s Council agenda. The recorded response makes reference to Shire correspondence directed to DWER that DWER has clearly interpreted to mean the Shire never has and never will grant my registered business entities legal access to any land under the control and management of the Shire.**

**As the Shire's written statements are in direct conflict with each other, could the Council President state for the record whether the Shire has or has not granted legal access and occupancy to the site and surrounds of my authorised constructed water supply infrastructure works on land under the control and management of the Shire.**

**In the event that legal access and occupancy to the site and surrounds of my authorised works is sound and consistent with the works/development approvals granted by the Shire, is it appropriate the Shire CEO writes to the Director General of DWER, copied to the regional manager of the Swan Avon region of DWER and myself, stating clearly and unambiguously that the Shire has not specifically denied past, current or future legal access to my authorised works/developments, consistent with your statement of response of 19 May 2021.**

*Response 1:     We believe our advice throughout has been consistent and we suggest you refer to the correspondence relating to this matter of which a copy has previously been forwarded to you. Any discrepancies in advice issued by DWER from the Shire’s should be taken up with that Authority. Council has advised and encourages you to submit a new application to be assessed by the current administration and Council.*

## ITEM 6. APPLICATIONS FOR LEAVE OF ABSENCE

### **COUNCIL RESOLUTION 010621**

Moved Cr Campbell / Seconded Cr Foulkes-Taylor

That Council:

1. Approve the leave of Absence for Cr Campbell for the period from 14-25 July;
2. Approve the arrangement for Cr Campbell to attend the July Ordinary Meeting of Council by telephone, in accordance with Section 5.25(1)(ba) of the *Local Government Act 1995* and Section 14A of the *Local Government (Administration) Regulations 1996*.

**CARRIED 7 / 0**

TIME 7:08PM

## ITEM 7. CONFIRMATION OF MINUTES

### Ordinary Meeting of Council: 19 May 2021

### **OFFICER RECOMMENDATION / COUNCIL RESOLUTION 020621**

Moved Cr Angus / Seconded Cr Hughes

That the minutes of the Ordinary Meeting of Council held on Wednesday 19 May 2021 be confirmed.

**CARRIED 7 / 0**

TIME 7:09PM

**ITEM 8. ANNOUNCEMENT FROM THE PRESIDING MEMBER**

The Presiding member announced that the following items were being withdrawn from the agenda due to an issue with the template making it unable to be populated in time to be put forward this evening:

- CS03 – 06/21 Adoption of the 2021-22 Annual Budget; and
- CS04 – 06/21 Adoption of the 2021-2031 Long Term Financial Plan and Corporate Business Plan

Consequently a Special Council Meeting will be held next Wednesday 23 June 2021 commencing at 6.00pm to hear these items.

Cr Curtis, through the Chair, announced the sad passing of a family member of the Bindoon Historical Society, Ian Campbell, who passed away recently and expressed Council's condolences to Olive and her family.

## ITEM 9. REPORTS

### DEVELOPMENT SERVICES

#### **DS01 – 06/21 Adoption of Local Planning Policy No.34 – Telecommunications Infrastructure**

| <b>Voting requirements</b>    | Simple Majority   |
| <b>Attachments</b>            | 1. Draft Local Planning Policy No.34 – Telecommunications Infrastructure  |

#### **Executive Summary**

Council is requested to resolve to adopt the draft Local Planning Policy No.34 Telecommunications Infrastructure, following public comment.

The Shire's development services staff have prepared a draft Local Planning Policy (LPP) giving guidance for the development of Telecommunications Equipment within the Shire. The LPP has been drafted pursuant to Council's resolution of 9.1.1 at its 1 July 2020 Special Council meeting. Following a specified period of public advertising, which resulted in nil submissions, no changes to the draft policy have been undertaken.

#### **Background**

The reasoning for creating the LPP derives from Council's resolution on a related matter whereby an application for telecommunications infrastructure was refused by Council outside of planning grounds. The resolution to initiate the LPP occurred at the Special Council Meeting of 1 July 2020. Council reconsidered its position in relation to a refused NBN telecommunications tower in Lower Chittering. As part of the resolution to reconsider its reasons for refusal, it became apparent that a local planning policy relating to telecommunications equipment was needed. The resolution for investigating the policy intended to investigate regulatory control over the siting and visual landscape of such developments.

Subsequent research has found that only a small number of local authorities have local planning policies relating to telecommunications equipment. Additionally, only a smaller number of those appear to be commensurate with the standards and requirements contained within State Planning Policy 5.2 (SPP5.2) Telecommunications Infrastructure, since many were drafted and adopted prior to SPP5.2 coming into effect.

Following this research, the first copy of the policy was drafted and initiated by Council at its February 2021 Ordinary Council Meeting. The draft policy attached has borrowed heavily from two WA LGA local planning policies – the Cities of Joondalup and Mandurah - as these two examples appear to be most up to date and legally sound. The resultant draft is attached at **Attachment 1**.

#### **Consultation/Communication Implications**

Pursuant to the *Planning and Development (Local Planning Schemes) Regulations 2015* (Regulations), the policy was advertised through:

- (a) (publishing of) a notice of the proposed policy in a newspaper circulating in the Scheme area, giving details of—

- (i) the subject and nature of the proposed policy; and
- (ii) the objectives of the proposed policy; and
- (iii) where the proposed policy may be inspected; and
- (iv) to whom, in what form and during what period submissions in relation to the proposed policy may be made.

The policy was subsequently published within the Northern Valley News April 2021 edition (page 30). The advertisement directed interested persons to the Shire's website, or to the Shire offices in order to be able to review the draft policy. The advertisement was written to be consistent with the Regulations.

### **Legislative Implications**

#### State

Division 2 Part 3 of the Regulations sets out the manner in which a Local Planning Policy may be prepared and adopted.

In preparing the policy, the Regulations provide specific and strict guidance on what a local planning policy can regulate and how.

For this reason, the subject local planning policy cannot contain measures which conflict with SPP5.2, LPS6, the Regulations, nor apply health based standards since a local government cannot regulate this through a planning instrument.

### **Policy Implications**

#### State

- State Planning Policy 5.2 – Telecommunications Infrastructure  
SPP5.2 sets out the State standards for regulating telecommunications towers and equipment.

#### Local

Nil

### **Financial Implications**

An allocation of the budget has been applied to advertising draft policies such as this, as the Regulations require the policy to be advertised within a local news print that circulates the Shire.

### **Strategic Implications**

#### Local

- Strategic Community Plan 2017-2027  
Focus area: Our community  
Objective: S1.1 An active and supportive community  
Strategy: S1.1.1 Strengthen aged, youth and children service access through partnerships and advocacy
- Shire of Chittering Local Planning Strategy 2019  
The Shire's Local Planning Strategy anticipates the demand for telecommunication towers within the Shire and notes that there are ongoing upgrades to telecommunications infrastructure to support lifestyle and commercial activities within the Shire.

#### State

- State Planning Strategy 2050 (2014)  
The *State Planning Strategy 2050* (Strategy) outlines its strategic direction for the state and ascertained a variety of areas it envisaged to achieve social, environmental and economic objectives.

The document outlines areas 'Telecommunications' from which they wish to plan for, outlining "Telecommunications facilities are also crucial to improving regional and remote education and training outcomes." The Strategy also states that 'Telecommunications services in Western Australian are provided through a mixture of fixed, wireless and satellite based networks operated by a number of licenced commercial carriers. Technology improvements mean that telecommunications infrastructure is in a constant state of upgrade and replenishment.'

The State's strategic document outlines the State government's support in establishing a broad range of telecommunications infrastructure for both urban and regional centres, with an underpinning theme of enhancing the social and economic benefits of its residents.

**Site Inspection**

Not applicable

**Triple Bottom Line Assessment**

Economic implications

The economic implications as a result of the establishment of Telecommunications Infrastructure may provide the following significant benefits to Chittering residents and in the long term the broader Shire of Chittering in the following ways:

- 1) Meet the objectives outlined in the *Shire of Chittering's Strategic Community Plan 2012 -2022* in terms of supporting local business and advocating for improved broadband access;
- 2) Provide opportunities for local business to conduct business activities over the internet in a more efficient and time effective way due to faster speeds.

Economic sustainability for the Shire ultimately relies on the availability of services for which Telecommunications Infrastructure is viewed as a key service that has the potential to provide further opportunity for home businesses.

Social implications

The policy intends to provide greater assurance to the placement of infrastructure as well as more clarity around the local authority's role. Therefore the social impacts are likely proximity and that health based implications are confirmed not applicable to the local authority's decision making process.

Environmental implications

The policy proposes to assess the appropriateness of the Telecommunications Infrastructure in terms of topography of the site and surrounding area, the size, height and type of the proposed facility, the location and density of surrounding vegetation, and the general visibility of the proposal from surrounding developments.

**Officer Comment/Details**

The LPP was drafted to reflect current legislation and issues associated with telecommunications land use not being covered by LPS6 or SPP5.2. The clauses have been proposed so as to include requirements for siting and vegetation retention.

While Health issues remains a significant concern for a number of residents, the policy helps to clarify how this applies in a local government context. Notably no submissions were received regarding this aspect of the policy, which was previously a topic of interest from within the community.

Following the expiry of the submissions period, along with a public reminder from the Council President during the May OCM, the proposed policy no submissions were received.

Subsequently, the policy is put to Council in order to resolve to proceed with the policy without modification.

**OFFICER RECOMMENDATION / COUNCIL RESOLUTION 030621**

**Moved Cr Campbell / Seconded Cr Osborn**

**That Council in pursuance of Part 2 Schedule 2 Clause 4,3(b)(i) of the Planning and Development (Local Planning Schemes) Regulations 2015, resolves to proceed with *Local Planning Policy No.34 Telecommunications* without modification.**

**CARRIED 7 / 0**

TIME 7.12PM

**DS02 – 06/21 Statistical Analysis of Bushfire Compliance 2020-21 Season**

|                               |   |
|-------------------------------|---|
| <b>Applicant</b>              | Shire of Chittering   |

| <b>Disclosure of interest</b> | Neither the Author nor Authorising Officer have any Impartiality, Financial or Proximity Interests that requires disclosure |
| <b>Voting requirements</b>    | Simple Majority   |
| <b>Attachments</b>            | Nil   |

**Executive Summary**

Council is requested to receive the statistics relating to bushfire control for the 2021-21 season. Shire administration have compiled the data relating to number of properties inspected over the fire season, and the degree of works required.

The statistics are put to Council with the intention of both transparency of how many properties were surveyed, as well as acknowledgement of the works undertaken to improve the Shire bushfire safety.

**Background**

Since at least 1954, the Shire of Chittering has maintained an obligation to help prevent bushfires. More latterly the Shire has gazetted and published a Firebreak & Bushfire Hazard Reduction Notice applicable to all lands within the Shire.

In 2020/21, particular emphasis was placed on Asset Protection Zones (APZ) along with firebreaks. Overall, the document outlines:

- The minimum requirements for properties to be compliant throughout the season - firebreaks and asset protection zones
- The dates for the Restricted and Prohibited Burning Times
- The conditions for the use of pizza ovens and solid fuel barbecues in the Restricted Burning Time
- The listing of Bush Fire Control Officers for the season
- Other relevant information for the fire season

Firebreak notices are common to most regional Shires. How they are interpreted and applied however can differ from each Shire. In order to establish a consistent message between the Shire’s three assessing officers, a tiered system was applied this past season. These tiers were as follows:

|  |  |
|--|--|
| <b>Tier 1 – Work Order only</b>                  | Very minor work to be conducted (i.e. has odd branch to be removed for height, small improvements to APZ)  |
| <b>Tier 2 – Work Order and Minor Work Letter</b> | Minor work to be done (i.e. has fuel still left in breaks after work done, minor regrowth, odd tree/shrub to be removed, improve width or height of break) |
| <b>Tier 3 – Work Order and Warning Notice</b>    | Nothing undertaken however does not have a history of non-compliance or only the odd non-compliance issue  |
| <b>Tier 4 – Work Order and Infringement</b>      | Blatant ignorance of requirements, and has a history of non-compliance   |
| <b>Tier 5 – Work Order and Contractor works</b>  | Consistently disregarding compliance requests and ongoing history of non-compliance  |

Efforts were also made throughout the season to improve residents' knowledge of bushfire risk reduction

  - Objective: S2.3 Protection of life and property
  - Strategy: S2.3.1 Improve bushfire preparedness and recovery

State

Nil

**Site Inspection**

Site inspection undertaken: Not applicable

**Triple Bottom Line Assessment**

Economic implications

There are no known significant economic implications associated with this proposal.

Social implications

Achieving bushfire safety standards can improve the social wellbeing of a community, particularly during fire season. By raising awareness of how to achieve better bushfire safety standards, administration strive to improve bushfire safety equally.

Environmental implications

Improved bushfire safety conditions as well as environmentally designed bushfire risk reduction programs can help to improve the growth and retention of native vegetation within the Shire.

**Officer Comment/Details**

As mentioned previously, this report concerns itself with the analysis of the Shire's efforts to maintain bushfire safety from 1 November 2020, until 1 May 2021. It relates to the three Shire employed Fire Control Officers (FCOs) abilities to inspect, reinspect and guide landowners / residents on how to maintain their property in a manner that is considered to be best practice.

Generally the FCOs will start within the highest risk areas, where assets are likely to be most impacted earlier, and move outwards to less asset prone areas, however the FCO may inspect any property at any time.

***What are the statistics?***

With that being said, out of a total approximate 2700 possible properties able to be inspected within the fire season, 559 were achieved. Of the 559 properties inspected, the following resulted:

|                                    |     |
|------------------------------------|-----|
| Total Work orders issued:          | 278 |
| Tier1 Work Order Only:             | 1   |
| Tier2 Letter + Work Order:         | 119 |
| Tier3 Warning Notice + Work Order: | 156 |
| Tier4 Infringement + Work Order:   | 2   |

Total Infringement issued: 6

***What the statistics mean***

This season placed heavy emphasis was placed on APZs along with firebreaks. It meant organising to meet and spending time with individual landowners where a risk was observed. This takes time and repeat visits. However it tends to improve outcomes in terms of compliance with the Firebreak Notice, and better relationships between the Shire and residents.

Anecdotal evidence from recent bushfires in WA were that homes that installed and maintained an APZ were in far better condition (i.e. survived the fire) following fires than those who did not install and maintain an APZ.

Hence the statistic that only six infringements issued out of 559 means that the vast majority of people in the Shire acknowledge and are willing to make the efforts to become fire safe. This not only improves the safety of the property, but the neighbourhood in turn.

***What next***

Moving forward, administration would like to continue working with residents throughout the year in an effort to reduce the numbers in tiers 2 and 3, despite having no jurisdiction of enforcement. The intention will be offer help where agreed to with all parties, and so that the FCOs can spend more time in fire season working on a greater range of properties. Those who scored in tiers two to four will be written to, advising them of the Shire's offer to help.

Additionally, new landowners will be offered the same courtesy.

Additionally, Council are aware that the Shire won almost \$500,000 in grants for risk mitigation, to be undertaken over the next 12-24 months.

With a number of new subdivisions and properties being built, the task of administering the Firebreak and Hazard Reduction Notice will become more technical and time consuming. It remains the opinion of senior staff that the district of the Shire of Chittering has never been better prepared, although there remains significant works to be undertaken to improve.

Accordingly, Council is requested to acknowledge the efforts made by Shire administration, in particular the three FCOs, to help maintain fire safe communities, through the statistics provided.

**OFFICER RECOMMENDATION / COUNCIL RESOLUTION 040621**

**Moved Cr Foulkes-Taylor / Seconded Cr Angus**

**That Council:**

- 1. Receive the information;**
- 2. Acknowledges the efforts made by residents in helping to maintain a fire safe district; and**
- 3. Supports the efforts made by Shire staff and relevant Volunteer Bushfire Brigade members in helping landowners achieve a bushfire safe property for the 2020-21 season.**

**TIME 7.13PM**

**DS03 – 06/21 Application for Mobile Food Vendor to Trade within the Bindoon Town Site**

|                               |   |
|-------------------------------|---|
| <b>Applicant</b>              | Haider Al Marshadi (Easy Kebab Food Van)  |
| <b>File ref</b>               | IAPP215670  |
| <b>Author</b>                 | Contract Environmental Health Officer   |
| <b>Authorising Officer</b>    | Executive Manager Development Services  |
| <b>Disclosure of interest</b> | Neither the Author nor Authorising Officer have any Impartiality, Financial or Proximity Interests that requires disclosure |
| <b>Voting requirements</b>    | Simple Majority   |
| <b>Attachments</b>            | Nil   |

**Executive Summary**

Council is requested to consider the approval of a traders permit within Clune Park, which is within the Bindoon town site, for the purposes of mobile food vending operations within public places. This application has been requested on behalf of the food business Easy Kebab Food Van.

It is recommended that Council approves the application as the food operator is looking at trading when other food businesses are closed and is offering the community food products that are not otherwise readily available within the town site.

**Background**

The mobile food business, Easy Kebab, is currently registered as a Medium Risk Food Business pursuant to the *Food Act 2006* and was granted a traders permit on 6 August 2020. Since commencing trading at the Brockman Centre, the proprietor has had several requests to trade closer to Bindoon.

The proposed location requires a trader's permit under the *Activities on Thoroughfares and Trading in Thoroughfares and Public Places Local Law* (Local Law). The proposed location and trading time is Clune Park from 4pm until 9pm Wednesdays.

**Consultation/Communication Implications**

Local

Assessment of the trading application was conducted by the Principal Environmental Health Officer in consultation with the Executive Manager Development Services.

As Council previously resolved to allow mobile food vendors to explore opportunities within Clune Park, no additional external consultation was undertaken.

Trading within a public place is managed by the Local Laws, and the location proposed in the application is inside the 300m which is not in compliance with the local laws. Additionally the application is not compliant with Council policy 10.9 trading in thoroughfares and public places (The Policy).

State

Nil

**Legislative Implications**

State

The *Food Act 2008* requires all food businesses to be registered with the Local Government where they operate from or in the case of food vehicles where they are permanently located (i.e. home or commercial premises).

Local

The Shire of Chittering adopted the “*Activities on Thoroughfares and Trading in Thoroughfares and Public Places Local Law*” (Local Law) on 21 April 2001. Part 6 of the Local Law applies, particularly 6.3 – Trader’s Permits, 6.5 – Relevant considerations in determining application for permit, 6.6 – Conditions of permit and 6.8 – Conduct of stallholders and traders. Attached are excerpts from the Local Law.

It should be noted in Clause 6.3(3) that a permit holder is permitted to remain at a particular location for as long as there is a customer making a purchase, but if there is no customer making a purchase the permit holder must move on from that location within a reasonable time of the last purchase being made.

Clause 6.8(2) is discussed more in detail in comments section.

It should also be noted under clause 7.10 that a permit may be cancelled by the Shire for a range of reasons including non-compliance with a condition of the permit. Clause 10.3 (offences) provides for penalties up to \$5000 or daily penalties up \$500 a day for not complying with any requirement of the Local Law.

If unsuccessful, applicants for Trader’s Permits are able to appeal under Clause 8.1 of the Local Law.

**Policy Implications**

State

Nil

Local

The Shire of Chittering adopted the Council Policy *10.9 Trading in Thoroughfares and Public Places* (The Policy) on 12 December 2019. The policy assists Council in determining suitability of applications in relation to Council’s Local Law.

It should be noted that part 2 of The Policy, trader’s permits for food vehicles/stalls will not be issued for venues within the Bindoon town site, Muchea town site or other locations of commercial sensitivity.

**Financial Implications**

Nil

**Strategic Implications**

Local

- Strategic Community Plan 2017-2027  
Focus area: Economic growth  
Objective: S4.2 Local business growth  
Strategy: S4.2.1 Encourage and support local business and new investments for the future

Although the application is for a temporary small business, the Shire Strategic Community Plan 2017-2027 encourages and support for local business. By supporting the application, the operator would be given an opportunity to contribute to the economic growth of the Shire at a time of day otherwise dormant of activity.

State

Nil

**Site Inspection**

Site inspection undertaken:

A site inspection were conducted at the proposed location of Clune Park. There is adequate parking for customers and bins are provided for the disposal of waste.

**Triple Bottom Line Assessment**

Economic implications

There are no anticipated economic implications on permanent food business as the operator will be providing a different range of products that is not been offered by the permanent premises that still operate after 6pm. The van operating after 6pm may also boost business for premises still operating as customers may see it as an opportunity to purchase a few items before heading home.

Social implications

The approval of a mobile food van trading within the town site may promote a sense of community within the Shire by encouraging interaction between customers in a public space.

Environmental implications

There are no known significant environmental implications associated with this proposal.

**Officer Comment/Details**

There have been recent separate enquiries about trading in the town sites from a food van owner and a coffee van operator who are currently registered under the *Food Act 2008*. The Locavore Store has enquired about having a food van trade outside the store in order to encourage customers to come in when the store is open late on Thursdays. It is expected that the Shire will continue to receive Trader's Permit applications in the future therefore it is important that all applications take into consideration Council's views. This should encompass the views of permanent business owners, the food van operators and the general community so as to enable the best possible outcome in an economic and social sense.

In relation to the subject proposal, Section 6.8(2)(a) of the Local Law provides the relevant matter to consider:

*'attempt to conduct a business within a distance of 300m of any shop or permanent place of business that is open for business and has for sale any goods or services of the kind being offered for sale by the stallholder or trader except with the written approval of the local government'*

Even though within the 300 metre zone, the Bindoon Mediterranean restaurant closed in 2020 and therefore would not be affected by the operations of the food van. The Bindoon general store does not offer cooked meals and the Bindoon Sport and Recreation Association only operates when they have a sporting event on. This therefore gives the food van an opportunity to trade within the town site once a week at a time when no other competing businesses will be open.

The Local Law further states:

6.5 (2) (d) *The local government may refuse to approve an application for a permit under this Division on any one or more of the following grounds –*

*That the needs of the district, or part for which the permit is sought are adequately catered for by established shops or by persons who have valid permits to carry on trading or to conduct a stall.*

Local business were recently canvassed for feedback on such proposals, where it was evident that Bindoon town site food businesses have not opposed the food van operating in town as the operator is offering something completely different and the trading hours are different to the established food businesses. Easy Kebab mainly sells "Chicken and Doner Kebabs, Chicken and Beef Burgers, Meatbox, Hotdogs, Chips and Drinks". While both the Bindoon Roadhouse and Bakehaus offer burgers as well as chips and drinks, they are not open for business after 6pm. Therefore approval will be in accordance with the Local Law.

**OFFICER RECOMMENDATION**

Moved Cr Campbell / Seconded Cr Ross

That Council, pursuant to Part 6, Division 1, Subdivision 2, 6.5 (1) of the Shire of Chittering's *Activities on Thoroughfares and Trading in Thoroughfares and Public Places Local Law*, APPROVES the application for an annual Trader's Permit to trade from Clune Park, Bindoon for a period of one year, and subject to the following conditions:

1. The applicant is advised that this approval does not permit the applicant exclusive use of the site;
2. A three month review of the approval is to be conducted by the Chief Executive Officer and is to assesses the economic impacts associated with the mobile food van use in context of surrounding local businesses;
3. All conduct shall be in the compliance with the Shire of Chittering 'Activities on Thoroughfares and Trading in Thoroughfares and Public Places Local Law'; the *Food Act 2008* and the Food Standards Code;
4. At conclusion of each trading day, the permit holder shall remove all waste generated from the event from the designated area;
5. Trading is permitted to occur on Wednesdays between 6:00pm – 9:00pm only;
6. Approval permit is to be displayed at all times; and
7. Any issues/complaints arising from the operations of permit holders are to be submitted to the Chief Executive Officer. Any unresolved complaints may result in a revocation of the permit.

**AMENDMENT**

Moved Cr Campbell / Seconded Cr Ross

Delegation 1.1.1 – Behaviour Complaints Committee</li><li>4. Behaviour Complaints Committee Terms of Reference</li></ol> |

**Executive Summary**

Following changes to legislation, Council is requested to adopt:-

- the “Code of Conduct Behaviour Complaints Management Policy” (**Attachment 1**)
- amended “Behaviour Complaints Form”; (**Attachment 2**)
- Delegation 1.1.1 – Behaviour Complaints Committee; (**Attachment 3**)
- Behaviour Complaints Committee Terms of Reference (**Attachment 4**)

**Background**

A review of the Local Government Act 1995 (Act), including consultation with community and sector stakeholders, led to the implementation of priority reforms under the Local Government Amendment Act 2019 (Amendment Act).

The Amendment Act was developed in response to stakeholder feedback that there was a need for governance reforms.

The Local Government (Model Code of Conduct) Regulations 2021 (MCCR) repeals and replaces the Local Government (Rules of Conduct) Regulations 2007, and there are associated amendments to s.5.103 of the Local Government Act 1995. The effect is that the Model Code of Conduct for Council Members, Committee Members and Candidates is contained in Schedule 1 of the MCCR. In addition to redrafted versions of the previous Rules of Conduct (Schedule 1, Division 4), the Model Code includes general principles (Schedule 1, Division 2) and behaviours (Schedule 1, Division 3).

The Model Code requires that complaints about alleged breaches of behavioural requirements under Division 3 must be dealt with at a local level by the Local Government. Local Governments have been required to adopt a Code of Conduct that incorporates the Model Code within three months of 3 February 2021, in accordance with the s.5.104 of the Local Government Act 1995 (the Act) – which the Shire of Chittering did accomplish on 21 April 21.

The Framework was drafted with the intent of developing a policy that will minimise both actual and perceived bias due to conflicts of interest when local level behaviour complaints are managed by Local Governments.

Section 2.7(2)(b) of the Local Government Act sets the policy-making role of a Council, therefore it is strongly recommended that opportunities are provided for Council to contribute to the development of a Complaints policy.

#### Executive Summary

Council is requested to endorse the Delegated Authority Register as per **Attachment 1**.

#### Background

In accordance with Section 5.46 of the *Local Government Act 1995*, delegations are to be reviewed at least once every financial year. The last review was presented to Council on 17 June 2020.

The Chief Executive Officer and the Executive Management Team have undertaken a review of the Delegated Authority Register.

Social implications

There are no known significant social implications associated with this proposal.

Environmental implications

There are no known significant environmental implications associated with this proposal.

**Officer Comment/Details**

Council, as Delegator, is required to review their Delegations annually. In accordance with the Local Government Act 1995, s5.46(2) delegations made under Division 4 of Part 5 of the Act are to reviewed by the delegator at least once during the financial year.

Delegation 1.1.1 - Appointed Authorised Persons – Deletion Delegation 1.3.7 - Appointed Authorised Persons

Proclamation of some of the few remaining Local Government Act amendments contained in the *Local Government Legislation Amendment Act 2019* and Gazettal of supporting Administration Regulation amendments occurred on 6 November 2020 (and became effective on 7 November 2020). This created new requirements for providing public access to information and for appointing authorised persons.

The process for Appointing Authorised Persons under a range of legislation has been harmonised through an amendment to section 9.10 of the Local Government Act 1995, which now means the CEO is the prescribed decision maker to make the appointments.

This Act amendment means that delegated authority from Council to the CEO to appoint authorised persons under the Local Government Act, Cat Act and Dog Act are inoperative and must be removed from Delegation Registers without the need for a Council resolution to delete / revoke the delegation (as in effect the Act amendment means Council no longer has the authority).

Delegation 10.2.2 - WA Planning Commission – Section 25 of the Strata Titles Act 1985.

In February 2021 the Western Planning Commission advised that the Instrument of Delegation (10.2.2) had been updated and that the changes were appropriate following the May 2020 Amendments to the *Strata Titles Act 1985* (STA); where two amendments were made. The first was to grant power to the local governments to determine applications relating to restrictive use conditions or by-laws. The second is to restrict the power of local governments to determine type 1A and type 2 Subdivisions applications.

Delegation 1.1.1 – Behaviours Complaint Committee

Secondly, a review of the Local Government Act 1995 (Act), including consultation with community and sector stakeholders, led to the implementation of priority reforms under the Local Government Amendment Act 2019 (Amendment Act).

The Amendment Act was developed in response to stakeholder feedback that there was a need for governance reforms.

The Local Government (Model Code of Conduct) Regulations 2021 (MCCR) repeals and replaces the Local Government (Rules of Conduct) Regulations 2007, and there are associated amendments to s.5.103 of the Local Government Act 1995.

The Model Code requires that complaints about alleged breaches of behavioural requirements under Division 3 must be dealt with at a local level by the Local Government. Delegation 1.1.1 - Behaviours Complaint Committee - facilitates unbiased decision-making by a Behaviour Complaints Committee. Council is therefore requested to endorse the amended Delegated Authority Register.

**OFFICER RECOMMENDATION / COUNCIL RESOLUTION 100621**

**Moved Cr Osborn / Seconded Cr Campbell**

**That Council BY AN ABSOLUTE MAJORITY endorses the Delegated Authority Register, as per Attachment 1.**

**CARRIED BY ABSOLUTE MAJORITY 7 / 0**

**Executive Summary**

Council is requested to endorse the Aspirational Plans for the Lower Chittering area, including the Lower Chittering Community Space adjacent to the Lower Chittering VBFB, the Sussex Bend Park Redevelopment and the Patens Reserve Recreation Space.

The endorsed aspirational plans are to be released for public review and comment, and then utilised as part of Project Development for each of the locations in Lower Chittering. They are aspirational plans only and by endorsing the plans, Council is not committing to any of the projects contained in the plans.

**Background**

Lower Chittering Master Plan development is contained in the Chief Executive Officer KPI's. In addition, facility development and planning is a focus for the Shire's Sport and Recreation Plan 2012-2022, as well as the development of plans for a recreational space in Maryville Downs.

The following consultations were undertaken and plans based on the results were presented to the community at the March 2021 Lower Chittering Community Forum. The final plan has been developed from the feedback and is now presented to Council for endorsement.

1. Sport and Recreation Survey – 2020
2. Community Development Review – 2020
3. Lower Chittering Community Forum – October 2020
4. Lower Chittering Master Plan Community Feedback – March 2021

### **Officer Comment/Details**

Lower Chittering has a growing population, with a long history, and a changing demographic. As it is located close to the metropolitan area, many of the residents currently socialise/recreate in the surrounding metro areas, leading to disconnection from the rest of the Lower Chittering community.

There is a common desire amongst residents to have a more centrally located space for the community to come together, socialise and be active. The recreation space behind the Lower Chittering Fire Station has long been identified as the ideal location for a connection space.

The results of consultations showed that the most important focus areas to the community were Community Connection and Community Events. In particular, the Sport and Recreation Survey results from Lower Chittering reflected the need for a community recreation space.

- Connection** - Facilities, parks, playgrounds, and activities to help you meet, and connect.
 
(40)

  
- Community Events** - family friendly events, large and small, to give you a chance to connect with your community and showcase Chittering.
 
(37)

  
- Youth / Early Years** - Education, places for connections, sporting and cultural activities, and job opportunities
 
(27)

  
- Ageing** - Housing options, health services, and connections to help you grow old at home, ageing in place.
 
(16)

*2020 Community Development Survey outcomes*

*Community Development Review results*

## What sort of activities would you like to have available in Lower Chittering?

Answered: 219 Skipped: 3

*Sport and Recreation Survey – Lower Chittering results.*

The results of the Feedback from the March Lower Chittering Community Advisory Forum reiterated the desire for a Community Centre and Green space / Oval. A Water Park also rated highly as it provides an additional opportunity for connection in summer outside of the usual sporting pursuits.

| 1. Lower Chittering Community Space       |         |
|---|---------|
| What is most important to you?            | Ranking |
| Comm Centre, Green Space and Sports Field | 1       |
| Green Space                               | 2       |
| Water park with Green Space               | 3       |
| Comm Centre & Green Space                 | 4       |
| Green Space with Shire building           | 5       |

| Green Space    | Ranking |
|----------------|---------|
| Ablutions      | 1       |
| Picnic Tables  | 2       |
| Water Fountain | 3       |
| Playground     | 4       |
| Parkland       | 5       |
| Sports Field   | Ranking |
| AFL            | 1       |
| Rectangle      | 2       |

In addition to the Lower Chittering Community Space, residents also indicated that an Emergency Services Hub, redevelopment of the Sussex Bend Park, and the development of recreation facilities at the Patens Road Reserve in Wandena Estate were desired.

| Which project is most important to you? | Ranking |
|---|---------|
| Community Space                         | 1       |
| Emergency Services Hub                  | 2       |
| Sussex Bend                             | 3       |
| Patens                                  | 4       |

### **Emergency Services Hub**

There is currently a community push for the provision of an ambulance service based at the Lower Chittering Fire Station, essentially creating an Emergency Services Hub. Further consultation is currently being undertaken with strong support from Lower Chittering Residents.

Shire staff, and St Johns Ambulance have been invited to the consultations, and will be involved in the needs/feasibility process with the addition of consultation with WAPOL and the SES for co-use of the space. The communities desired outcomes, and possible infrastructure and support needs will be provided to Council for approval as they are identified, and before the project is developed further.

### **Sussex Bend Redevelopment**

At the forum, aspirational plans for the redevelopment of the Sussex Bend Park were shown to residents. The results below from the survey provided further refinement and were used to create a final aspirational plan.

| 3. Sussex Bend Redevelopment     |         |
|----------------------------------|---------|
| What is most important to you?   | Ranking |
| Boardwalk                        | 1       |
| Hard Cover for Playground        | 2       |
| Road Safety Track                | 3       |
| Additional seating in bike track | 4       |
| Hard surface of pump track       | 5       |
| Mini Pump Track                  | 6       |
| All Weather structure            | 7       |

Chittering Landcare have already received funding, and created a directed water flow leading to a reservoir on the Sussex Bend Park space. Discussions between Chittering Landcare and Shire staff in regard to a boardwalk through the wetlands on the site, were initiated around 10 years ago, and were recommenced in early 2021. The boardwalk and redevelopment of this site would create a recreational, social, and educational space for the Lower Chittering community. Further site plans, environmental impact assessments, and engineering requirements will need to be conducted to facilitate the construction of the boardwalk.

A hardcover for the playground, and hard surfacing of the existing pump track have previously been identified in the Sport and Recreation Plan (i.e. park upgrades). The addition of a toddler pump track, road safety track and additional seating would also create a “bmx hub” at the park.

An additional all weather structure over the BBQ seating area would also facilitate year round use of the park.

The aspirational plan for this area will be released to the public, with consultations to include the BMX workshop school holiday activity in July 2021. These consultations will be used to create a project plan for the redevelopment of the bike-park, play space and boardwalk.

**Patens Road Reserve Recreation Space**

At the forum, aspirational plans for the development of the Patens Road Reserve recreational space were shown to residents. The results below from the survey provided further refinement and were used to create a final aspirational plan.

| 4. Patens Reserve                              |         |
|--|---------|
| What is most important to you at Patens Reserv | Ranking |
| Ablutions                                      | 1       |
| Nature Playground                              | 2       |
| Walk Trail                                     | 3       |
| Picnic Tables/Seating                          | 3       |
| Water Fountain                                 | 4       |
| Green Space                                    | 5       |

This reserve is currently a sandy, sparsely grassed area with no recreational or social facilities. There is great scope for a nature playground, however further consultation with the residents of the estate will be required to create a project plan which best suits their needs and wants.

**Summary**

The Lower Chittering plans are considered long-term aspirational plans and by endorsing the plan, Council is

not committing to the projects listed within the plan.

The release of the aspirational plans will facilitate further discussion on the community's recreational and social needs at these sites in Lower Chittering.

**OFFICER RECOMMENDATION**

Moved Cr Campbell / Seconded Cr Ross

Council is requested to endorse the following Lower Chittering Aspirational Plans:

- Lower Chittering Community Space
- Sussex Bend Redevelopment
- Patens Road Recreational Space.

#### Executive Summary

Council is requested to receive the Audit and Risk Committee confirmed minutes of 17 March 2021 and unconfirmed minutes of 14 April 2021.

#### Background

Following the Audit and Risk Committee meeting held on 17 March 2021 there was one formal recommendation resolved:

#### COMMITTEE RESOLUTION

*Moved Cr Ross / Seconded Cr Angus*

*That the Audit Committee reviews the Local Government Compliance Audit Return for the period 1 January 2020 to 31 December 2020 and presents to Council for adoption at the Ordinary Meeting of Council on 17 March 2021.*

*CARRIED 5/0*  
*16:38PM*

An officer report was subsequently tabled at the Ordinary Meeting of Council on 17 March 2021 and Council resolved the following:

#### OFFICER RECOMMENDATION / COUNCIL RESOLUTION 120321

*Moved Cr Ross/ Seconded Cr Hughes*

*That Council adopts the Local Government Compliance Audit Return for the period 1 January 2020 to 31 December 2020.*

*CARRIED 6 / 0*  
*TIME 20.13pm*

The completed Compliance Audit Report was lodged through the Department's "Smarthub" on 24 March 2021.

Following the Audit and Risk Committee meeting held on 14 April 2021 there were two formal recommendation resolved:

#### OFFICER RECOMMENDATION / COMMITTEE RESOLUTION

*Moved Cr Osborn / Seconded Cr Angus*

*That the Audit and Risk Committee recommends to Council that it:*

- 1. Receives the Audit Report of 23 March 2021 (as incorporated within the Annual Report);*
- 2. Pursuant to Sections 5.54 and 5.55 of the Local Government Act 1995, accepts the 2019-2020*

- Annual Report; and*
3. *Convenes the Annual Electors Meeting prior to 16 June 2021 at the Bindoon Hall, 6108 Great Northern Highway, Bindoon.*

CARRIED 5/0  
BY AN ABSOLUTE MAJORITY

*OFFICER RECOMMENDATION / COMMITTEE RESOLUTION*

*Moved Cr Angus / Seconded Cr Ross*

*That the Audit Committee note the Risk Management Report 2020.*

CARRIED 5/0

An officer report was subsequently tabled at the Ordinary Meeting of Council on 21 April 2021 and Council resolved the following:
