Background

The bush fire brigades are to hold their Annual General Meetings during the month of May each year. At the Annual General Meeting brigade member(s) are to be nominated to the Bush Fire Advisory Committee to serve as bush fire control officers for the brigade area until the next brigade Annual General Meeting.

Each brigade Secretary is to forward a copy of the minutes of the Annual General Meeting to the Chief Bush Fire Control Officer within one month after the meeting. The Chief Bush Fire Control Officer will table the minutes at the next meeting of the Chittering Bush Fire Advisory Committee. The Chittering Bush Fire Advisory Committee is then required to recommend to the local government the person(s) nominated from each bush fire brigade.

Comment

The Committee is to consider the nominations presented from each brigade's Annual General Meeting for the position of Fire Control Officer. The position of Chief Bush Fire Control Officer will be filled by the Shire's Community Emergency Management Officer.

All Fire Control Officer positions from each brigade will become vacant annually in May. It will be the responsibility of each brigade to provide their nominations (this can be in the form of the brigades Annual General Meeting minutes) to the Chittering Bush Fire Advisory Committee after their Annual General Meeting.

Jamie O'Neill nominated Ian Hollick for the position of South Deputy Bush Fire Control Officer, Seconded Phillip Humphrey

Ian Hollick accepted the nomination, there were no other nominations and Ian was elected unopposed in the position of North Deputy Chief Bushfire Control Officer.

Phillip Humphrey nominated Kym Haeusler for the position of North Deputy Bush Fire Control Officer, Kym declined the nomination.

Phillip Humphrey nominated Greg Cocking for the position of North Deputy Bush Fire Control Officer / Seconded Dennis Badcock

As Greg is not at the meeting to accept the nomination, Kym Haeusler advised that he will accept the nomination if Greg Cocking declines the nomination.

Greg Cocking was declared the North Bush Fire Control Officer subject to his acceptance of the nomination. Members agreed unanimously to declare Kym Haeusler the North Bushfire Control Officer should Greg Cocking decline the nomination.

ACTION:

Jamie O'Neill to telephone Greg Cocking Wednesday, 4 June 2014, and provide Karen Parker with the outcome prior to the completion of the minutes, so that the accepted nomination can be included in the recommendation to Council.

7. ANNOUNCEMENTS BY THE CHIEF BUSHFIRE CONTROL OFFICER

Dennis Badcock spoke on the following:

Chittering Fire Services BFAC meeting 3rd June 2014

CBFCO Report

Members, as most of you may be aware, this is my last meeting as the volunteer CBFCO for the Shire of Chittering. The Shire's Executive and the majority of Shire Councillors have deemed that the local fire services would be better supported by a paid career person, as per the recommended MOU from DFES.

Whilst I and a few others are not in agreement with this decision, I recognise that I only have one vote and can only hope that the local community can continue to remain fire safe and that the needs, best wishes and best intents continue to be afforded to our volunteer fire fighters.

With the personal experience of travelling such a rocky road over the past few months with extremely limited support, one can only hope that lessons can be learnt in how to handle these issues more effectively in the future.

I express my thanks to those that have supported me during my tenure and can only hope that you recognise that any agendas that I have supported have not been of a personal nature to me but for the betterment of the volunteers and of the local community in which we live.
