Mr J Dwyer
71 Toy Road
BINDOON WA 6502

ATTENTION: MR JOCK DWYER

Dear Sir

**GREAT NORTHERN HIGHWAY (H006) 72.2SLK
UPGRADED ACCESS – LOT 7 TOY ROAD, BINDOON
SHIRE OF CHITTERING**

Further to your email of the 16 July 2012 Main Roads WA (MRWA) confirms that the approval issued on the 26 July 2010 to install the driveway as per the Application is current including the conditions of that approval. This includes the requirement for a Traffic Management Plan (TMP) to be prepared by a suitably qualified person and provided to MRWA 10 working days prior to commencement of any work. The TMP submitted to MRWA in 2011 is no longer current and therefore a new TMP will need to be prepared and submitted to MRWA for approval prior to the commencement of any work.

MRWA has advised the Shire of Chittering that we do not support an interim approval and that MRWA require the access upgrade works to be completed to a satisfactory standard for the intended movement of compliant heavy vehicles before formal approval is granted for the extractive license. In this regard the necessary, prerequisite TMP together with the works specification details are required for our formal approval before any works commence on site.

If you require any further information please contact Melinda Marshall on 9622 4713.

Yours faithfully

Michael Hayward
